

# AMERICANS 4 ISRAEL

Americans 4 Israel is the General Zionist slate of the World Zionist Organization. A non-partisan and independent party of American citizens who are proud Virtual Citizens of Israel, A4i is committed to peace, unity and security for the Jewish State of Israel and for the Jewish people of the world. We share common goals of increasing the scope and scale of Zionist youth movements, promoting young professional activity that encourages Jewish and Zionist values and identity, and supporting cultural and religious pluralism, social responsibility and a commitment to democracy and Jewish rights in Israel and in the United States.

## Americans 4 Israel Platform Commitments

- To provide strong, experienced, visionary, community-based leadership committed to Zionism and Israel.
- To strive for greater unity among, and support equality for, all Jews and all expressions of Judaism; securing the promise of religious freedom and strengthening Israel both as a democracy and as a Jewish state.
- To fight Antisemitism, Anti-Zionism, Anti-Israel propaganda, and the Boycott Divestment and Sanctions movements in collaboration with American and international organizations.
- To promote programs for Zionist activism, leadership, entrepreneurship and idealism such as programs in the arts, businesses, sports, environment, public policy, historic preservation, Hebrew language, cultural and religious spheres.
- To work with the diverse members and organizations of the global Jewish community to improve Israel-Diaspora relations.
- To empower a new generation of American Jewish leadership through community networking and innovative activism.
- To support Aliyah and the integration of new immigrants into Israeli society, through support programs for Hebrew language instruction, cultural adaptation and professional development training.
- To revitalize the World Zionist Organization with a commitment to achieving transparency, accountability and a renewed approach to strengthening the Zionist federations and communities throughout the Jewish world
- To maximize Jewish rights as a fundamental issue requiring attention and advocacy through every channel.
- To advocate for increased concern for Holocaust survivors and their well-being in the Diaspora and Israel.
- To support efforts to achieve peace and security for Israel with her neighbors, with continued affirmation of Jewish ancestral and indigenous rights to the Land of Israel as the biblical and indigenous homeland of the Nation of Israel and her tribes.
