SHABBAT TZION

CELEBRATING THE CONNECTION TO ISRAEL
THROUGH TORAH AND SHABBAT

LEKH LEKHA

Shabbat Tzion focuses on the first portions of the Torah that teach us of our historical roots as Jews and **our connection to the Land of Israel - Tzion.**

A connection that can never be broken,
a connection that can empower us in our journey as
Virtual Citizens of Israel!

What do you think we can learn from the Torah about the importance of the land to our Jewish identity?

What do you feel are the lessons from the Biblical stories that most relate to Jewish life in the Diaspora?

As we start the reading of the Torah anew, so too can we be freshly inspired! From **Lekh-Lekha** to **Vayishlach**, journey with us in the land of our ancestors!

Thought pieces and discussion questions for each weekly Torah portion are perfect for sharing with family, friends in a classroom, youth group or any community gathering.
